## Guideline regarding regulations for incoming exchange students

### SEMESTER EXCHANGE PROGRAM (For incoming exchange students)

- Under this program students from our partner universities/institutes abroad can come and study for one semester at Chandigarh University. This is a non-fee paying program.
- The duration of this program is equivalent to one semester/one year.

### **Responsibilities of Chandigarh University**

- To waive off the tuition fee of the students who are coming under semester exchange program.
- To provide the result of students for that particular semester and send that send to respective Head of Department (H.O.D.) and International Relations department.

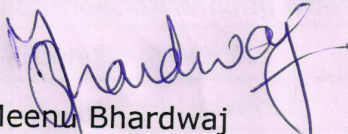

### **Responsibilities of partner university/institute**

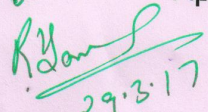

- To accept the credits provided by Chandigarh University.

### **Responsibilities of the student**

- The student will not pay any tuition fee at Chandigarh University as it will be waived off for that particular semester.
- The student will have to bear the cost of their living, meals and transportation on their own.
- It is mandatory for the student to return back to their home university/institute abroad after the completion of the semester exchange program.
- It is the responsibility of the student to earn the credits and get back to their home university/institute abroad.
