

Subject: Provision for students undertaking International Internships

A student who is on any international internship as approved by HOD and Office of International Relations will be facilitated with following:

1. To register only after they have successfully completed the training period.
2. Students will be given attendance benefits if the duration of internship varies from date of registration.
3. Students are allowed for proportionate marks while they are pursuing internship.
4. Provision of Separate Viva will be allowed to such students.
5. If due to medical reasons or unavoidable circumstances student returns in the middle of semester he would be responsible to complete his missed syllabus and appear for final exams and no leniency will be given.
6. Students who are expelled from programs because of behavioral issue or any mal-practicing will face serious repercussions on their return.
