# EMBRACE THE JOURNEY TO SUCCESS AT CHANDIGARH UNIVERSITY

Known for its unmatched academic excellence and pushing the frontiers of knowledge through cutting-edge research, Chandigarh University empowers students with the expertise, capabilities, and qualifications necessary to excel in today's fiercely competitive job landscape. Chandigarh University creates an intellectually stimulating atmosphere by fostering learning through exceptional teaching practices, state-of-the-art facilities, personalized guidance from industry leaders, and immersive experiential projects, nurturing young talent to emerge as industry-ready professionals.

Located in the vicinity of the City Beautiful in India, Chandigarh University has a sprawling 200-acre smart campus with world-class infrastructure and facilities. Home to students from all 28 Indian states, its 8 Union Territories, and 65 countries around the world, CU has transformed into a unique learning universe that amalgamates the spirit of multiculturalism, diverse ethnicities, and hallowed traditions from across the world.

## AWARDS & RANKINGS

A Testament of Our Academic Brilliance

**Ranked No. 1 Amongst All Private Universities in India**  
By QS World University Rankings 2024 & QS Asia University Rankings 2024

Ranked #27 Amongst Top Universities in India  
Architecture & Planning #15

Bestowed With A+ Accreditation by National Assessment & Accreditation Council (NAAC) in the first cycle itself

**FIRST PRIVATE UNIVERSITY IN INDIA**

**TO HAVE THE HIGHEST NUMBER OF**  
Engineering Programs accredited by ABET (US-based Premier Global Accreditation Body For Engineering Programs)

Only Private University in Punjab to be accredited by NBA for Engineering

## WHY CHOOSE US?

### Professionally Driven Curriculum

CU provides an all-encompassing platform for realizing your professional and entrepreneurial aspirations. We are dedicated to enhancing your professional expertise through our research-backed curriculum and top-tier educational guidance.

### Technology Business Incubator

Cutting-edge technologies and incubation facilities at the CU-TBI create the ideal environment for young minds to harness their entrepreneurial skills.

### Outstanding Placements

In a testament to our unwavering commitment to exceptional placements, Chandigarh University students have secured an impressive tally of over 9,000 job offers this year. These coveted opportunities come from renowned multinational companies, including tech giants like Google, Microsoft, Capgemini, IBM, Amazon, and many others.

### Experiential Learning Model

The forward-thinking curriculum is meticulously crafted to align seamlessly with the latest advancements across diverse fields. CU imparts theoretical knowledge, fosters project-based learning, and emphasizes real-world application of concepts to develop skills.

### Extensive Industry Network

Our strategic partnerships with industry leaders create a vital bridge connecting our students with top professionals in their respective fields. These alliances enrich our academic programs by offering comprehensive exposure to real-world knowledge and practical expertise.

### University with a Global Vision

Recognizing the significance of a global outlook in today's professional landscape, CU has established partnerships with over 486 prestigious universities across 95 countries, enabling students to access valuable international learning experiences.

# UNIVERSITY INSTITUTE OF ARCHITECTURE

The University Institute of Architecture (UIA) is a leading center of innovation, design education, and research. Our state-of-the-art infrastructure, advanced teaching equipment, updated laboratories, and research facilities equip our students with the skills and knowledge they need to succeed in the ever-evolving field of architecture.

## KEY FEATURES

- Experiential Learning with Immersive workshops and diverse live projects in our dynamic design studios.
- Captivating industrial visits to project sites, heritage structures, and contemporary architectural marvels
- Valuable industry exposure, cultivated by strategic collaborations with renowned professional bodies such as CoA, IIA, IGBC, INTACH, ITPI, IIID, PEDDA, and more.
- Cutting-edge teaching methodologies incorporating the latest techniques, from immersive case studies to dynamic e-learning platforms and interactive learning experiences.
- Connect with global perspectives via Interactions with international faculty and corporate mentors.
- UIA's advanced curriculum features the latest software such as AutoCAD, 3Ds Max, V-Ray, Revit Architecture, Maya, Sketch-up, and more.
- Extensive Global Alliances of UIA with renowned international universities in 50+ countries.
- No Semester Fees during the 6-month practical training for students.
- Architectural labs are a fusion of creativity and technology: Climatology Lab, Building Construction Lab, Material Testing Lab, and more.

## INDUSTRY COLLABORATIONS

## PROGRAMS OFFERED

### Bachelor of Architecture (B.Arch)

The five-year Bachelor of Architecture program prepares students with an early interest in architecture to become leading professional practitioners. The course offers a thorough foundation in architecture, integrating critical thinking, design, technology, building construction, sustainability, and social responsibility.

**Eligibility:** No candidate shall be admitted to an architecture course unless he has passed an examination at the end of the 10+2 scheme of examination with at least 50% Aggregate marks in Physics, Chemistry and Mathematics and also at least 50% Marks in aggregate of the 10+2 level examination or passed the 10+3 Diploma Examination with Mathematics as a compulsory subject with at least 50% Marks in aggregate.

### Master of Architecture (M.Arch)

The two-year Master of Architecture (M.Arch) program brings together the highest level of professional expertise with the critical and technical skills necessary to recast the boundaries of the architecture profession. The program creates a sense of inquisitiveness and intellectual generosity that enables individual development and collaborative thinking.

**Eligibility:** The candidate with a minimum of 50% marks in aggregate in a Bachelor of Architecture degree course or equivalent course recognized by the Council of Architecture shall be admitted to the post graduate course in architecture.
